

STONE YARD, INC.

ADDITIONAL SEATING ITEM INFORMATION

Materials: Stone Yard lounge chairs, sofas, daybeds and ottomans are handcrafted in our proprietary Fiberstone material for indoor/outdoor applications and ease of mobility. Benches are typically offered in both GFRC and Fiberstone options. GFRC and Fiberstone are appropriate for freeze thaw and coastal environments.

Frame Construction: Stone Yard lounge chairs, sofas, daybeds and ottoman seat decks have sling support installed for maximum comfort. All frames have drainage holes unless otherwise specified. The Calla and Roca chairs come standard with small drainage hole in the seat.

Finishes: All Stone Yard finishes are unique and hand applied. Stone Yard takes into consideration the design details, size and texture to create one-of-a-kind beauty and variation throughout the product.

Sealer: All Stone Yard seating include a coat of protective urethane sealer for UV and moisture protection.

Benches: The Balustrade and Fluted bench seats include a step bullnose edge. Most benches are shipped unassembled with a hardware kit. No assembly required for the Laguna and Zaragoza benches.

Upholstery: All Stone Yard seating such as sofas, daybeds, and lounge chairs come standard with hand-tailored cushions, COM fabric. All cushions are expertly tailored and utilize Dri-Fast reticulated foam for superior indoor/outdoor use, durability and comfort. Please consult Stone Yard design experts for all cushion information including welting and yardage.

Recessed Casters: Non-locking recessed casters can be added to select Stone Yard seating for ease of mobility. Cost of casters is additional and determined based on size and type of item ordered. Please consult with Stone Yard design experts for more information.
